

**Indiana Advisory Commission on Intergovernmental Relations
Municipal Annexation Survey
April 2014**

The Indiana Advisory Commission on Intergovernmental Relations is conducting a study on annexation. We are collecting information on municipal annexations between 2009 and today. The survey is being sent to multiple officials in each local government to ensure that the survey gets to the right person in each local government. We need only one response for each local government. Please feel free to consult others within your local government if you are unsure about the response to a particular question. Please complete both parts of the questionnaire if your municipality has annexed property since 2009.

Completion of the survey is voluntary. Respondents have the option to complete the survey at www.iacir.spea.iupui.edu or to return the printed questionnaire by mail, email, or fax (addresses and numbers provided on next page). Thank you.
